**Meeting Agenda**  
**Pasco County Hazard Mitigation Planning Committee**  
**Local Mitigation Strategy**  
**February 21, 2018**

Emergency Operations Center  
8744 Government Drive  
New Port Richey, Florida

1. Welcome and Introductions
2. Verify Public Notice
3. Approval of Minutes: January 17, 2018 Meeting
4. New Additions to the Working LMS Project List
  - Wiregrass Code Plus Hardening
  - Storm water Projects:
    - Dade Oakes Regional Stormwater Pond
    - Buck and Lanier Drainage Improvement
    - Boggy Creek Drainage Improvement
    - Plantation Palms Drainage Stabilization
    - Hidden Lakes Drainage Improvement
    - Rocky Sink Debris Removal
5. Project Ranking via the Prioritization Point Scale Handout
  - Pasco Emergency Management Projects
    - Acquisition Demolitions
      - Miles Blvd
      - Minneola Drive
      - Wavyedge Ct
    - Wind Retrofit
      - Ivywood Place Projects 1 & 2 (Roof and Shutters/Water Intrusion)
    - Code Plus Hardening
      - Wiregrass Sports Complex
    - Drainage
      - Soni Plaza US-19
      - Shady Acres Flood Mitigation

- Pasco Utilities
  - Generators for 11 lift stations
  - Oelzner Lift Station Upgrade (Port Richey)
- Storm water Projects:
  - Lake Zephyr Watershed
  - Magnolia Valley Storage and Wetland Enhancement
  - Colonial Manor Drainage Improvement
  - Holiday Hill Drainage Improvement
  - Iron Bark Flood Abatement
  - Sea Pines Flood Abatement
  - Dade Oakes Regional Stormwater Pond
  - Buck and Lanier Drainage Improvement
  - Boggy Creek Drainage Improvement
  - Plantation Palms Drainage Stabilization
  - Hidden Lakes Drainage Improvement
- 6. Meeting Frequency (Quarterly)
  - Quarterly Meeting – April 11, 2018
- 7. Adjournment

February 21, 2018

**Pasco County Hazard Mitigation Planning Committee  
Local Mitigation Strategy Working Group (Project Ranking) Meeting  
Pasco County EOC, 8744 Government Drive, New Port Richey, FL**

**\*Meeting was opened by Tim Smith, Emergency Management Coordinator @ 2:00 pm.**

**• Welcome:**

- **Verified public notice**
- **Approval of minutes from 1/17/18**
- **Introductions**
- **Laura Black went over project ranking procedures – State is accepting project applications on first come, first served basis. Several projects are completed, ranked, and ready for submission. Additional projects can be submitted until 8/6/2018 and will be submitted as they are received.**
- **New projects to be discussed/added to list:**
  - **Wiregrass Sports Complex:**
    - **Complex is being built; would like to add wind hardening, raising of utilities and generator to project scope to allow it to be used as “refuge of last resort”, particularly for travelers on I-75 and citizens in eastern portion of county**
    - **Patrick Ballinger motioned to accept; John Ford (Trinity West HOA) seconded**
    - **Laura informed the group that this project has been pre-submitted to State and is currently undergoing prioritization ranking at State level**
  - **No one present to represent Dade Oaks project**
  - **Buck & Lanier:**
    - **Has been on project list for several years**
    - **Swift Mud has ranked this as high priority**
    - **John Ford (Trinity West HOA) motioned to accept; Kelly seconded**
  - **PHSC Berm/Boggy Creek:**
    - **Reviewed history**
    - **Kelly motioned to accept; Veronica Hanson (Port Richey) motioned to accept**
  - **Plantation Palms Ditch Restoration & Stabilization:**

- David Sua showed group photo of issues with Plantation Palms ditch and explained it feeds into small river and the project would entail stabilizing the banks of the ditch
      - Patrick asked if existing vegetation would be cleared; David confirmed it would
      - Kelly motion to accept; Donald Carey seconded
    - Hidden Lake/Yellow Lake:
      - Small scale, land berm
      - Kelly motion to accept; Patrick seconded
    - Rocky Sink Debris Removal:
      - Kelly motion to accept; John Ford seconded
  - Reviewed, discussed, and ranked existing/new projects on spreadsheet in order listed below:
    - Wiregrass
    - Miles Boulevard (#189)
    - Minneola (#207)
    - Wavy Edge (#193)
    - Ivywood (#208)
    - Soni Plaza (#194)
    - Shady Acres (#209)
    - Generators (#195 – 205)
    - Oelsner (#127)
    - Lake Zephyr (#112)
    - Magnolia (#175)
    - Colonial Manor (#177)
    - Holiday Hill (#178)
    - Iron Bark (#179)
    - Sea Pines (#181)
    - Dade Oaks (#188) \*did not discuss/no one present
    - Buck & Lanier
    - Boggy Creek
    - Plantation Palms
    - Hidden Lakes
  - All project ranking worksheets were turned into to Tim Smith/Laura Black for final tallying and ranking
  - Tim reminded everyone of next meeting on April 11, 2018 (same time/place)
- Meeting adjourned at 1517 hours

## FEMA 4337-DR-FL Hurricane Irma Pasco County HMGP Projects & Prioritization

Funding Priority	Project Name/ Description	Project Description	Applicant	LMS Goal & Objective	Estimated Total Project Costs	Estimated Federal Share
1	Wiregrass Sports Complex Code Plus Project	Code plus wind retrofit for a multi million dollar building	Pasco County BCC	1.1 2.5 4.4	\$ 2,757,683	\$ 2,068,262.44
2	Zephyr Creek Units 3 & 4	Stormwater Infrastructure improvements: both units consist of cross culvert and channel improvements to reduce expected flooding for over 50 structures	Pasco County BCC	1.1 1.2 3.1 3.2	\$ 5,355,000	\$ 4,016,250.00
3	Hidden Lake/Yellow Lake	The addition of stormwater infrastructure to eliminate expensive and repetitive pumping operations during less intense rainstorms	Pasco County BCC	1.1 1.2 3.1 3.2	\$ 3,150,000	\$ 2,362,500.00

Funding Priority	Project Name/ Description	Project Description	Applicant	LMS Goal & Objective	Estimated Total Project Costs	Estimated Federal Share
4	Sea Pines Flood Abatement	Project consists fo design, permitting, construction, and real estate acuqision, encompassing increased storage and reduce flooding efforts through stormwater infrastructure	Pasco County BCC	1.1 1.2 3.1 3.3	\$ 3,000,000	\$ 2,250,000.00
5	PHSC Berm/Boggy Creek	Enhance conveyance systems and expand capacity of existing drainage system in order to relieve the Lake Worrell system and residential structures of historical flooding events	Pasco County BCC	1.1 1.2 3.1 3.4	\$ 3,412,500	\$ 2,559,375.00
6	Buck & Lainer Flood Abatement	Increasing stormwater infrastructure of a closed basin to reduce the frequent experience of 50 yr flood events	Pasco County BCC	1.1 1.2 3.1 3.5	\$ 651,000	\$ 488,250.00

Funding Priority	Project Name/ Description	Project Description	Applicant	LMS Goal & Objective	Estimated Total Project Costs	Estimated Federal Share
7	Colonial Manor Drainage Improvement	To reduce the structure and street flooding to the areas along Jarvis Street, Valimore Drive, Cape Cod Drive, Stardale Lane, and the Tanglewood Mobile Home Park to an existing 36-inch culvert that can handle the flow. Also add a north south grass swale to add more capacity to the system	Pasco County BCC	1.1 1.2 3.1 3.6	\$ 2,655,000	\$ 1,991,250.00
8	Magnolia Valley Storage and Wetland Enhancement	Excavation of a parcel that was acquired by Pasco County BCC (9/24/2016) to provide stormwater storage and wetland enhancement	Pasco County BCC	1.1 1.2 3.1 3.7	\$ 8,000,000	\$ 6,000,000.00

Funding Priority	Project Name/ Description	Project Description	Applicant	LMS Goal & Objective	Estimated Total Project Costs	Estimated Federal Share
9	Plantaion Palms	Stabilization of eroded drainage infrastructure in order to protect over 15 structures downstream. If untreated detrimental flooding will continue	Pasco County BCC	1.1 1.2 3.1 3.8	\$ 2,196,222	\$ 1,647,166.50
10	Holiday Hills Subdivision Drainage Improvement	Adding a permanent pump station that will convey water from an existing retention pond to a drainage canal at the north border. Also, acquire parcels adjacent to existing pond in order to expand storage to reduce flood times	Pasco County BCC	1.1 1.2 3.1 3.9	\$ 1,796,471	\$ 1,347,353.44

Funding Priority	Project Name/Description	Project Description	Applicant	LMS Goal & Objective	Estimated Total Project Costs	Estimated Federal Share
11	Ironbark Flood Abatement	Land acquisition and construction of an interconnected wet pond area to a dry storage basin and a emergency outfall connection for recovery during major rain events to reduce flooding	Pasco County BCC	1.1 1.2 3.1 3.10	\$ 3,520,230	\$ 2,640,172.50
12	Generators for Critical Pasco Utility Facilities	Add permanent generators to various lift stations to prevent power loss which ultimately will enhance response efforts to the locations	Pasco County BCC	1.1 2.5	\$ 882,651	\$ 661,988.25
13	10142 US 19 Drainage Project	To increase stormwater storage capacity for local businesses off of a main cooridor to decrease consistent vacancy rates	Pasco County BCC	1.1 1.2 3.1 3.2	\$ 288,728	\$ 216,546.12

Funding Priority	Project Name/ Description	Project Description	Applicant	LMS Goal & Objective	Estimated Total Project Costs	Estimated Federal Share
14	Shady Acres Flood Abatement	Reduce flooding of multiple properties by enhancing stormwater infrastructure and storage	Pasco County BCC	1.1 1.2	\$ 157,500	\$ 118,125.00
15	Wavyedge Acquisition	Acquisition and Demolition of a flooded homeowner	Pasco County BCC	1.1 2.5 3.1	\$ 363,900	\$ 272,925.00
16	Minnieola Acquisition	Acquisition and Demolition of a flooded homeowner	Pasco County BCC	1.1 2.5 3.2	\$ 400,000	\$ 300,000.00
17	Miles Blvd	Mitigation Reconstruction of a flooded home	Pasco County BCC	1.1 2.5	\$ 295,557	\$ 221,667.68
18	Oelsner Lift Station	Retrofit a lift station to enhance critical infrastructure	Port Richey	1.1 2.3	\$ 155,469	\$ 116,601.98
19	Ivywood Wind Retrofit 1	Hardening of a residential structure	Pasco County BCC	1.1 2.5	\$ 10,000	\$ 7,500.00
20	Ivywood Wind Retrofit 2	Hardening of a residential structure	Pasco County BCC	1.1 2.5	\$ 9,555	\$ 7,166.25
21	Dade Oaks Regional Stormwater Pond	Increase stormwater capacity through new storage pond to reduce flooding in Dade City	Dade City	1.1 1.2 2.5 3.1 3.2	\$ 1,500,000	\$ 1,125,000.00
