

January 23, 2019

**Pasco County Hazard Mitigation Planning Committee  
Local Mitigation Strategy Working Group Meeting  
Pasco County EOC, 8744 Government Drive, New Port Richey, FL**

**\*Meeting was opened by Ian Eppig, Emergency Management Coordinator at 2:07 pm due to technical difficulties with WebEx system.**

- **Welcome:**
  - **Included WebEx Meeting Attendees**
  - **Verified public notice**
    - **Ian Eppig made motion to accept notice; Todd Vandenberg seconded**
    - **Meeting notices will be posted on both Pasco County Web Page and Pasco County Emergency Management Web Page**
  - **Approval of minutes from 12/7/2018**
    - **Hilary Bruno motioned to accept, Jan Martini seconded**
  - **Guest Speaker:**
    - **Jeremy Edwards – Pasco County GIS**
      - **Went over Pasco Mapper which will be replacing PascoView**
        - **General presentation of how to work Pasco Mapper from a public perspective**
          - **Showed tips and tricks to better serve homeowners and departments completing projects or researching areas of Pasco**
          - **GIS would allow municipalities to submit data to Pasco County to include in the Pasco Mapper; however it data updates would be the municipals responsibility**
        - **PascoView tentatively scheduled to go away February 1st**
        - **GIS conducting on-going training sessions on Pasco Mapper for future dates**
- **Hazard Mitigation Grant Program (HMGP) update by Ian Eppig:**
  - **Hermine:**
    - **Discussed ongoing projects**
      - **Forest Hills**
      - **Port Richey Alternative Outfall**
      - **Zephyr Creek Units 1 and 2**
  - **Irma:**

- As of 1/23, all project applications are under review and still eligible
  - Projects with \* have been given pre-award status (see PowerPoint)
- **Flood Mitigation Assistance (FMA) update by Tim Smith:**
  - Fourteen homeowners submitted applications and three were approved
- **Community Rating System (Amy Beams):**
  - No update as Amy was unable to attend meeting
- **LMS Updates:**
  - Final edits for the HIRA are being completed by EM staff as voted on during the December meeting
  - Master Project List shows a total of approximately 200 projects with approximately 150 in “active” status
    - 43 of these have either been completed, will not be funded, County cannot complete, or homeowners voluntarily opted out of the program and will be considered “retired” as of this meeting (see powerpoint for specifics)
  - Ian Eppig requested that group vote on approval of current revisions to the Mitigation Strategy Section for the five-year update and allow EM to complete all remaining final edits/revisions prior to submittal to Florida Division of Emergency Management (FDEM)
    - Patrick Ballinger motioned, Hilary Bruno accepted
  - Went over dates for upcoming meetings in Emergency Operation Center at 2:00pm (4/24/2019; 7/21/2019; and 10/23/2019)
- Ian Eppig motion to adjourn at 3:15pm; Patrick Ballinger seconded
